Let's all help each other and get back to doing things we love to do.

Meet six people or two households outdoors.

No household mixing indoors.

Indoor leisure and gyms open for you as an individual or as a household group.

All children's activities and parent and child groups start again.
(up to 15 people)

All shops can open including hairdressers and beauty.

Pubs and restaurants can open if you sit outside. Outdoor attractions like zoos, theme parks or drive-in cinemas can open.

Community centres and libraries are now open.

You can stay away from your home overnight with people in your household in self-catering accommodation.

30 people can attend funerals. 15 people can attend wakes and weddings.
